PRODUCT STORY

In an attempt to discover the purpose of surfaces, we bring a new collection of tiles inspired by one of the most magnificent creations of the universe - Earth.

4.5 billion years ago, after a big bang, Earth was formed and today our existence depends on it.

The Earth collection represents the unknown mysteries, the beauty and the environment that results in our existence. The tiles of this collection provide the same safety and comfort that Mother Earth provides us. So, explore the true essence of surfaces with the Earth collection.

A NEW PERSPECTIVE
ON NATURE
